

American Innovations Celebrates its 15 year Anniversary

March 05, 2010 (Chestnut Ridge, NY) -Congratulations to American Innovations Inc.!

On March 5, 2010 American Innovations marks its 15 Year Anniversary. This milestone for the company has come with added experience and a new array of product offerings and services.

American Innovations is determined to make its 15 Year Anniversary a historical year and to accomplish this objective it will be introducing throughout the year many new technologies, training programs, and highly sought after services.

As a Homeland Security and Defense Contractor, American Innovations is honored to be celebrating 15 years of service. Closing security gaps and learning how to best serve the needs of the user community come with many challenges as a small business. Through hard work and dedication we have made and will continue to make positive contributions toward protecting people, facilities, and critical infrastructure.

We would like to thank our employees, customers, vendors, partners, and resellers; all of which provide a vital role in the growth and success of our company. Your hard work, loyalty, and dedication are valued and appreciated. Thank you for all that you do and for your contributions toward the growth and success of American Innovations, Inc.
